Dear Colleagues:

As President of the Inter Faculty Organization, I encourage you to join with me in support of the State Employees Combined Charitable Campaign. This campaign, besides supporting statewide organizations, also supports the efforts of area United Ways in Bemidji, Cass-Clay (Moorhead), Central Minnesota (St. Cloud), Lyon County (Marshall), Mankato, the Twin Cities (Minneapolis/St. Paul) and Winona.

This campaign is organized to combine and simplify your contributions to your local United Ways of Minnesota, as well as the Community Health Charities Minnesota, Community Solutions Fund, Minnesota Environmental Fund, Open Your Heart to Hungry and Homeless, United Arts and the United Negro College Fund, and other charities.

In Minnesota we have always had a strong tradition of assisting our friends, neighbors and the needs of others at the local and state level. As you know, these are especially hard times for many in our state. Your contribution through the State Employees Combined Charitable Campaign helps to meet these goals. Thank you very much for your previous and continuing support and generosity.

Sincerely,

Don Larsson, President  
Inter Faculty Organization
