

MINNESOTA ASSOCIATION  
OF PROFESSIONAL EMPLOYEES

September 14, 2011

Soon the 2011 Combined Charities Campaign will be swinging into high gear. The Minnesota Association of Professional Employees (MAPE) wholeheartedly endorses the Combined Charities Campaign. We urge everyone to give generously during the month of October.

Last year, thousands of State of Minnesota employees contributed more than \$1 million to Minnesota-based charities. We would like to thank those employees who have participated in past campaigns for their continued support.

We also encourage state employees who are not yet participants to consider the Combined Charities Campaign as a candidate for your charitable donation dollars. With these challenging times, it is even more critical we help these worthwhile causes to the greatest extent possible.

Union members who work in state service have been extremely generous in their support of the Campaign in the past. We are confident this will be the case once again this year.

Yours in solidarity,
